BELKIN

Hi-Speed USB 2.0 4-Port Pocket Hub

Travel lighter and transfer data quicker with the Hi-Speed USB 2.0 Pocket Hub. The size of a credit card and only 13mm in height, this tiny hub takes up less space as you travel, so you can use your USB devices anywhere you take your laptop.
An innovative, built-in cable management design stores the cord easily, and keeps it readily available for use. The Pocket Hub works at any USB speed, and when you connect it with a Hi-Speed USB 2.0 printer, video camera, or other device, it transfers data at speeds up to 480 Mbps -40 times faster than USB 1.x connection.
